

Renz Eli Rey

Cubao, Q.C. 1111 | (+63) 909 474 3545 | renzelirey10@gmail.com

PROFILE

Detail-oriented Information Technology graduate with practical experience in technical support, hardware and software troubleshooting, and network maintenance. Proven ability to resolve end-user issues efficiently while delivering excellent customer service. Knowledgeable in Windows environments, SQL, and database management, with strong analytical, communication, and problem-solving skills. Eager to contribute to reliable IT operations while continuously learning new technologies.

EDUCATION

SYSTEMS PLUS COMPUTER COLLEGE

Bachelor of Science in Information Technology (BSIT)

July 2021 – June 2025

- Dean's Lister, First Year – Third Year | GWA: 1.33
- Cum Laude

WORK EXPERIENCE

CUSTOMER SERVICE REPRESENTATIVE

Alorica

October 2025 – March 2026

- Handled inbound healthcare and billing inquiries across multiple tracking systems to resolve customer accounts.
- Maintained accurate customer records and provided feedback on recurring user issues to improve company processes.
- Consistently exceeded performance metrics, including AHT, CSAT, and QA, maximizing service quality.

WEB-DEVELOPER INTERN

USHER Technologies Inc.

September 2024 – December 2024

- Redesigned and implemented a user-friendly portal and updated user interfaces
- Assisted in software testing, debugging, and executing SQL queries to manage MySQL data.
- Successfully streamlined user flows, enhanced portal accessibility, and supported product adaptation for smaller-scale versions.

IT SUPPORT (STUDENT ASSISTANT)

Systems Plus Computer College, Cubao, Q.C.

January 2022 – January 2024

- Resolved diverse hardware and software issues for students, faculty, and staff while installing, configuring, and maintaining workstations and lab equipment.
- Assisted in LAN cabling, network setup, and basic network troubleshooting to ensure reliable campus connectivity.
- Fielded administrative inquiries efficiently and successfully maintained operational IT equipment for all school events.
